EPA topics for letter to State - AEs (June 2014).docx

Jane –

Attached are some thoughts about topics/issues that we might include in a letter to the State. A lot will depend on when we send the letter and what the State has done prior to us sending it.

I'll have my BB at the meeting in case there are questions.

Thanks,

David

Ex. 5 - Deliberative Process

I'll talk with Mike about working with Michele and Brett to continue to work on the letter/desk statement after you get it started. Thanks, Jane

Jane/Mike:

Ex. 5 - Deliberative Process

Depending upon what we need this for, I can amend appropriately.

Thanks,

David
